

The Government of Bundy declared to the Citizens on July 27, 2011 that there has been an electricity cut due to the great explosion in the fusion room at Groel. The bills of electricity have gone up by 45% and we advise you to save up some electricity. We are sorry for the inconvenience. We would like people to help us repair this. Many has been injured and the Rainbow Cross Society are going to help. You are welcome to help us by either joining the club by going to our website: [bundynational.weebly.com](http://bundynational.weebly.com) or you can donate some money by completing the form below and mailing it to the address listed above..

Thank you,

His Highness King Buniesto and the Government of Bundy
